SECRETARY OF STATE
COMMONWEALTH OF KENTUCKY
BY R. Adler

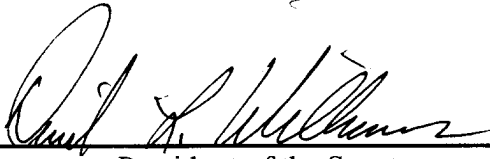

AN ACT relating to the threshold amount for postsecondary institution capital construction projects that are self-performed.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

1 Section 1. KRS 164A.585 is amended to read as follows:

- 2 (1) Subject to authorization by the General Assembly and KRS 164A.580, the
3 governing boards may make plans and specifications, advertise for bids, let
4 contracts or incur any financing commitments, either in the way of a charge against
5 institution funds or in the way of negotiations for issuance of revenue bonds, for any
6 capital construction projects involving the improvement of lands or the
7 construction, alteration, reconstruction, or major repair of any building or other
8 structure, or sewage disposal, water supply system or other utility system.
- 9 (2) Review of construction plans for conformance with the uniform state building code
10 shall be conducted by the Office of Housing, Buildings and Construction. The board
11 shall not approve any such project requiring its approval in any instance where it
12 finds that the project is not needed, or that the proposed method of financing is not
13 sound, or in cases where the project will exceed the amount of the funds available
14 therefor, or the work contemplated will be insufficient to accomplish the purpose of
15 the project, or that after providing for the ordinary recurring expenses of
16 administration and debt service and for payments under existing allotments for
17 extraordinary expenses and capital outlay, cash will not be available in the Treasury
18 to promptly pay for the work or that the work is to be done by employees of the
19 institution.
- 20 (3) Any capital construction project, except as provided in subsection (4) of this
21 section, shall be contracted for on a competitive bid basis, and the execution of such
22 contracts shall be approved and authorized by the board. When a capital
23 construction project has been approved as provided in this section, in whole or in
24 part, the board shall prepare the plans and specifications, advertise for bids, award

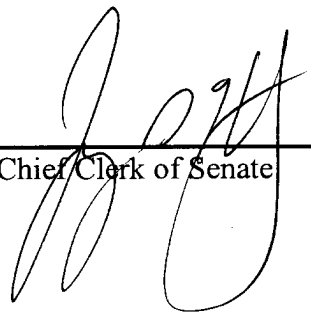

- 1 the contracts, supervise the construction and handle the financial negotiations.
- 2 (4) A capital construction project, the total cost of completion of which will not exceed
- 3 ~~two~~~~one~~ hundred thousand dollars (\$200,000)~~(\$100,000)~~, may be performed by
- 4 the employees of the institution or by individuals hired specifically for the project.
- 5 Necessary materials and supplies shall be procured in accordance with the standard
- 6 purchasing procedures and policies of the board as defined in KRS 164A.575.
